- \*All manufacturer details will be shown and you can select any number of manufacturers in dropdown list as given in above picture.
- \*After filling all the details click on Save Button.
- \*CNG Kit Details will be saved.

\*We can also edit the CNG details after Save.  
 Select radio button and click on Edit button. Now edit any of the field and click on Update button. The record will be updated.

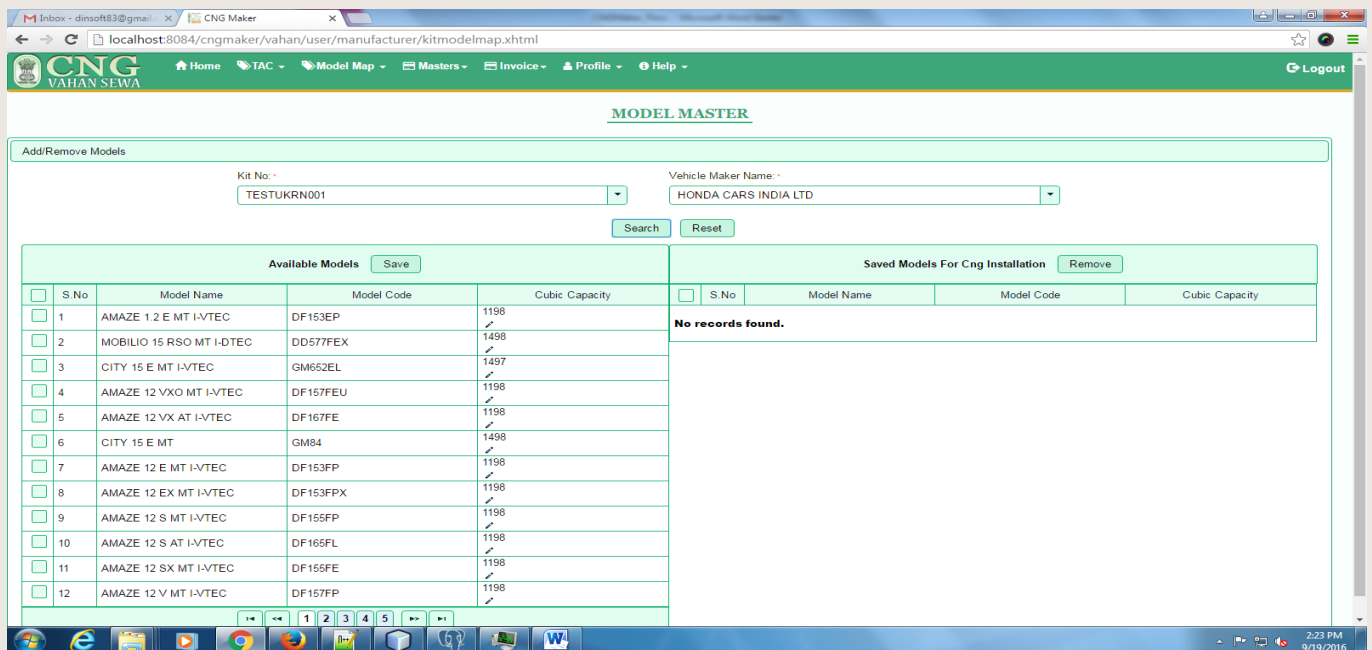

\*Now Click on **Model Map-> Kit Model Map**.

Given Screen will be shown.

\*Now select kit no and Maker Name then click on Search Button.

Given Screen will be shown-

\*Now From Available Models(Left side) select checkbox and click on Save button. It will be saved for CNG installation and will be moved to the right side to the table.

Again you can remove the saved Models by selecting the checkbox and click on 'Remove' button. It will be moved back to the left side of the table.

\*Now we will upload Invoice pdf for all the kit / components.

Click on Invoice -> Upload

The screenshot shows a web browser window with the URL `localhost:8084/cngmaker/vahan/user/manufacturer/invoiceUpload.xhtml`. The page has a green header with the CNG Vahan Sewa logo and navigation links: Home, TAC, Model Map, Masters, Invoice, Profile, Help, and a Logout button. The main content area is titled "INVOICE UPLOAD" and contains an "Invoice Upload Form". The form includes fields for "Unique Kit Reference Number" (a dropdown menu), "Select Kit Component" (a dropdown menu), "Invoice Number" (a text field), "Invoice Date" (a text field), and "Importer Number" (a text field). Below these fields is a red error message: "File size should be less than 11 mb and file format should be pdf only". At the bottom of the form are three buttons: "Choose", "Upload", and "Cancel".

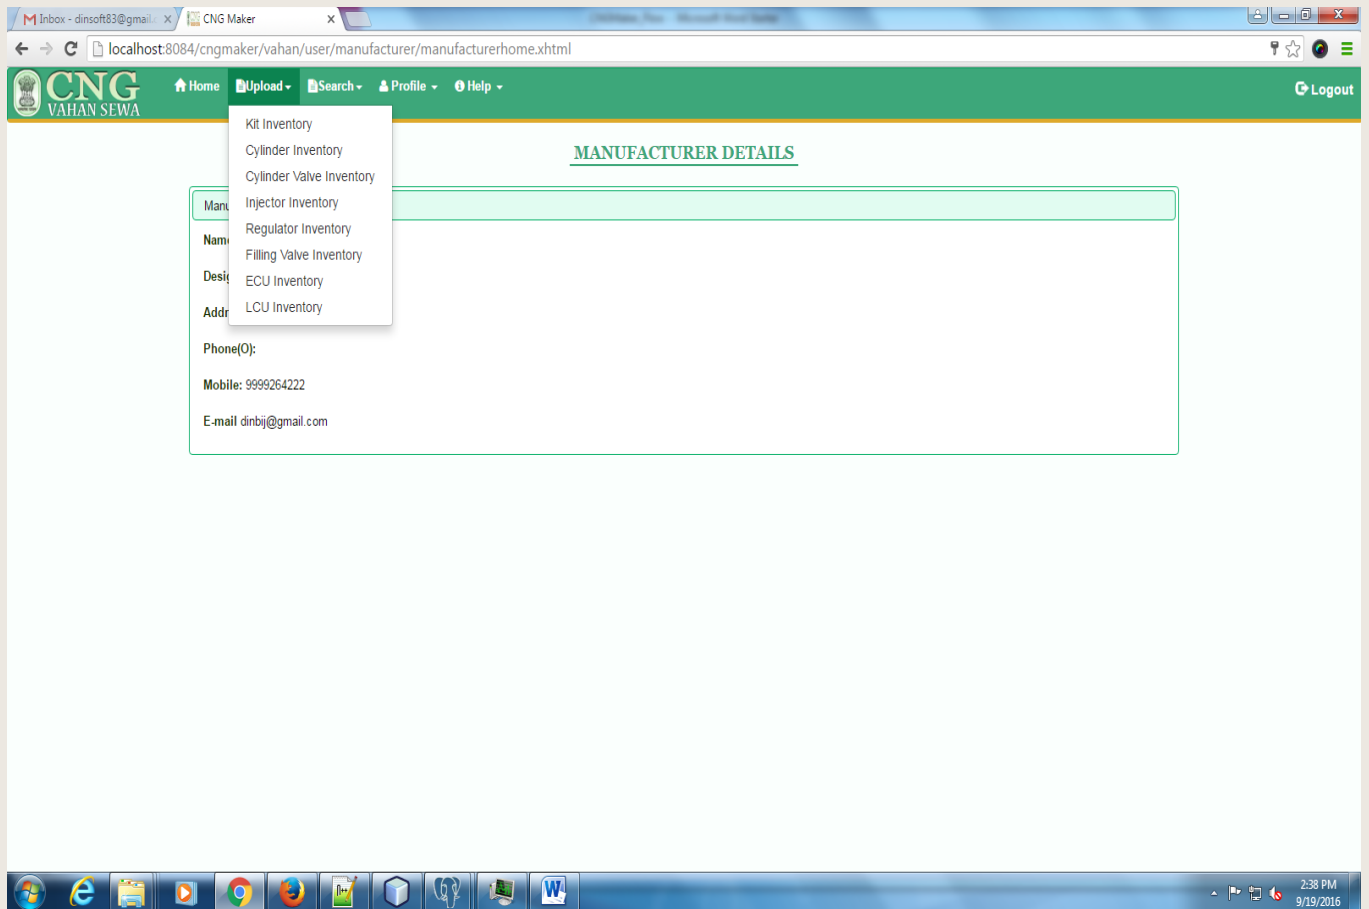

\*Now we can also view and delete invoice. Click on Invoice - > View and delete invoice.

The screenshot shows a web browser window with the URL `localhost:8084/cngmaker/vahan/user/manufacturer/modifyInvoice.xhtml`. The page has a green header with the CNG Vahan Sewa logo and navigation links: Home, TAC, Model Map, Masters, Invoice, Profile, Help, and a Logout button. The main content area is titled "MODIFY INVOICE" and contains a "View Modify Invoice" section. This section includes a "Select Kit Component" dropdown menu with "KIT" selected and a "Search" button. Below this is a "DETAILS OF MODIFY INVOICE" section with a "Search all fields" text box and a "Enter keyword" input field. A table displays the search results, showing two invoices. The table has columns for "Sr. No", "Unique Kit Reference Number", "Invoice Number", "Importer Number", "Invoice Date", "View", and "Delete".

Sr. No	Unique Kit Reference Number	Invoice Number	Importer Number	Invoice Date	View	Delete
1	TESTUKRN001	KININV001	INVOICEIMPORTER	2016-09-01

\*Now we will log out.

Login with *Manufacturer (Inventory Uploader)*-

\*Now you can upload All Inventory. For that you will click on Upload button and click on desired inventory which ever you want to upload.

Click on Upload -> Select desired Inventory to Upload. Given Screen will be displayed (e.g. -to upload Kit Inventory).

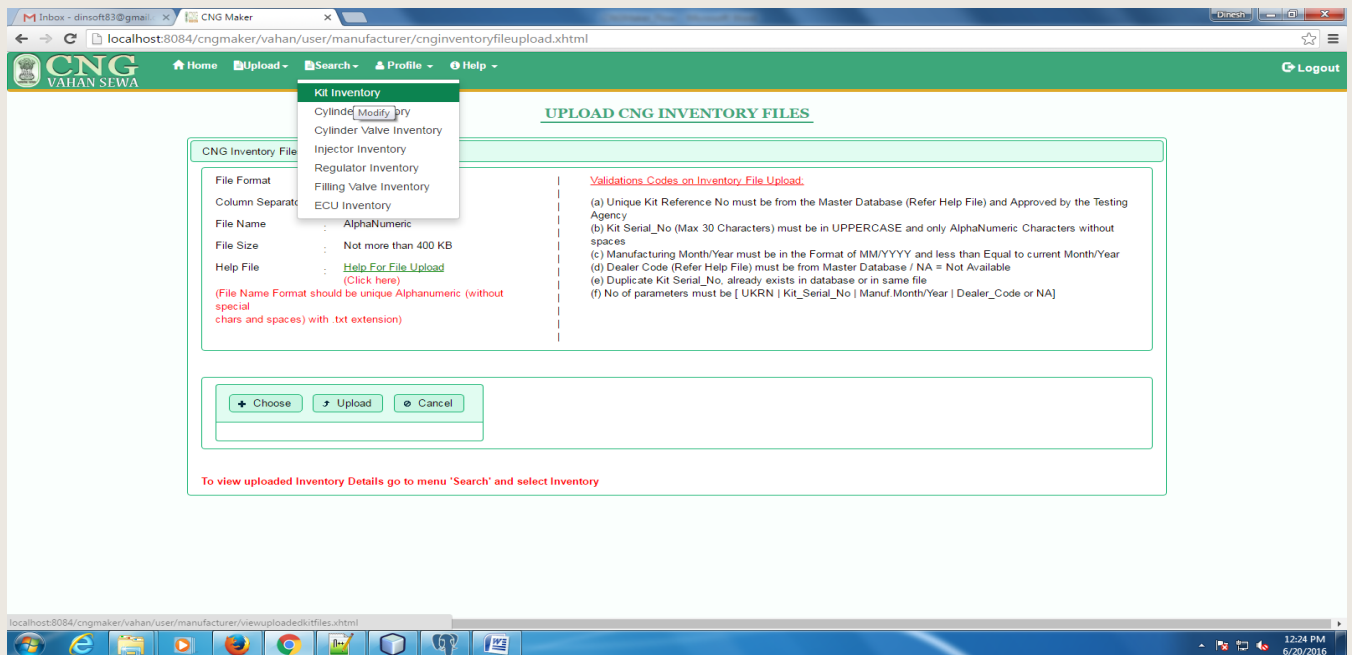

\* Choose file and click on upload button.

After checking all the validation codes file will be uploaded.

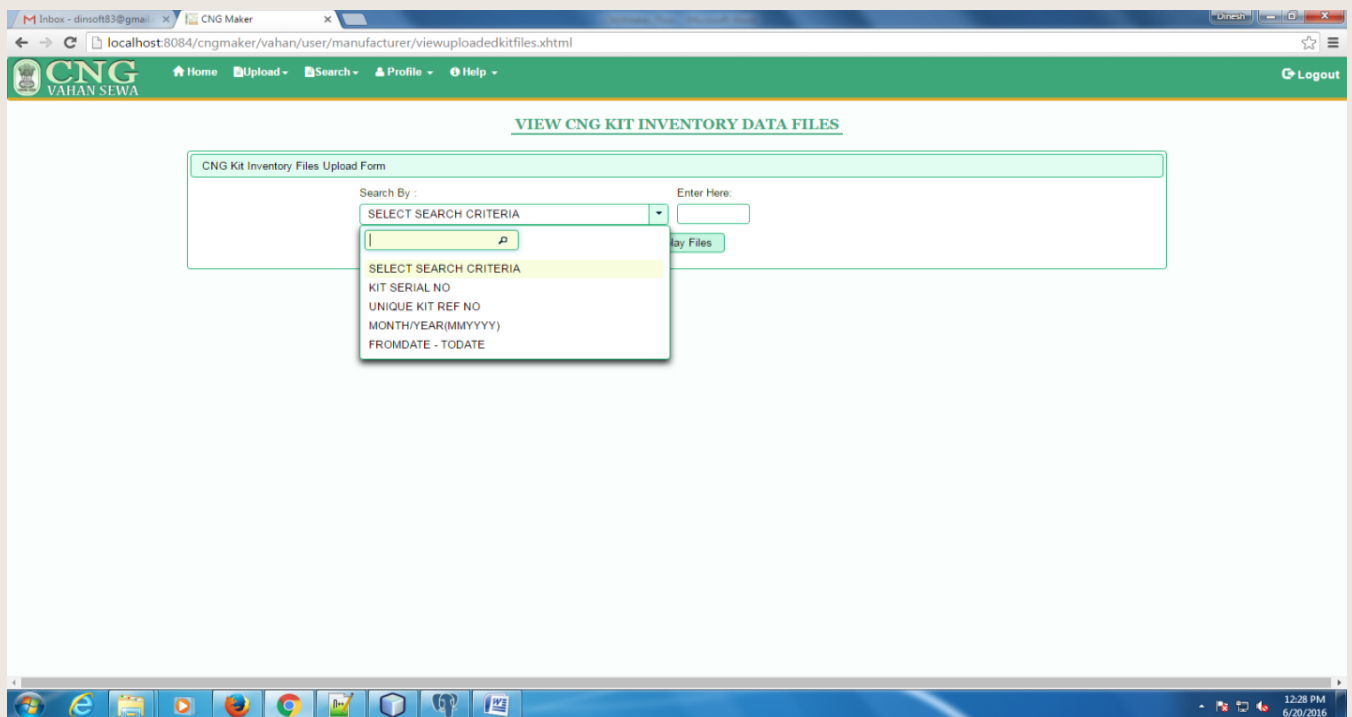

\*You can also take help to upload file by clicking on 'Help for File Upload' link.

\*Now we can search the Inventory files by clicking on

Search -> desired Inventory file which you want to see. List of Search Inventory is showing in given page.

\*For Example-  
Click on Search -> Kit Inventory. Given page will be displayed.

You can search records in above 4 criteria-

- (1) Kit Serial no. (you need to enter Kit Serial no and click on Displayfiles)
- (2) Unique Kit RefNo. (you need to enter Unique Kit RefNo and click on Displayfiles)
- (3) Month/Year(mm/yyyy). (you need to enter Date in mm/yyyy and click on Displayfiles)
- (4) FromDate-ToDate. ). (you need to select date in calendar and click on Displayfiles)

\*In case of (4) th criteria files will be shown. e.g. -

The screenshot shows the 'VIEW CNG KIT INVENTORY DATA FILES' page. At the top, there's a navigation bar with 'Home', 'Upload', 'Search', 'Profile', 'Help', and 'Logout'. Below the navigation bar, the page title is 'VIEW CNG KIT INVENTORY DATA FILES'. The main content area contains a form titled 'CNG Kit Inventory Files Upload Form'. The form has a 'Search By' dropdown set to 'FROMDATE - TODATE', a 'From Date' field with '01-06-2016', and a 'To Date' field with '20-06-2016'. There is a 'Display Files' button. Below the form, there's a 'Reason' field. The main part of the page is a table with the following data:

S. No	File Name	Uploaded Date	Number Of Records	Delete
1	<a href="#">DEMOCNG</a>	17-Jun-2016 04:06:14	3	
2	<a href="#">CNG123</a>	16-Jun-2016 03:06:07	5

4	<a href="#">TES3344</a>	09-Jun-2016 02:06:01	5	

\*Now you can delete the entire table by click on Delete Image in right side.

\*And also you can click on File Name link and again records will be shown of the table. e.g.-

The screenshot shows the 'CHECK BOX FILE DELETION' form. It has the same navigation bar and page title as the previous screenshot. The form has a 'Search By' dropdown set to 'FROMDATE - TODATE', a 'From Date' field with '01-06-2016', and a 'To Date' field with '20-06-2016'. There is a 'Display Files' button. Below the form, there's a 'Reason' field. The main part of the page is a table with the following data:

<input type="checkbox"/>	S. No	Unique Kit Ref No	Kit Serial No	Manuf. Month/Year
<input type="checkbox"/>	1	TESTCAT	ADCTEMP1394823	09/2013
<input type="checkbox"/>	2	TESTCAT	ADCTEMP1J538834	09/2013
<input type="checkbox"/>	3	TESTCAT	ADCTEMP1J3734847	09/2013

Below the table, there is a 'Reason' field and a 'DELETE' button.

\*Now you can delete the particular record.

\* To delete record select one or multiple records, type reason in the box and click on Delete button. The record will be deleted.

\*Now log out.
