Users may follow the steps given below for Number allocation.

1. RTO User - Select / Create Auction
2. Public User - Number Selection
3. Demand Draft Approval
4. Auction Process
5. Auction Result
6. Balance Draft Entry
7. Assign / Reject Number Allocation

Step 1 > Select / Create Auction (By RTO)

RTO User has authority to create auction on the portal. To create auction, RTO user have to login to fancy number allocation portal using his/her login credentials.

The screenshot shows the e-Vahan portal login page. The header includes the Ministry of Road Transport and Highways logo and the Government of India name. The main content area features a login form with fields for User Id (sachinmh03), Password, and Verification Code (42821). A 'Login' button is present. The page also contains a 'Read More' link and a footer stating 'Powered by National Informatics Centre. All Rights Reserved.'

Once RTO User is logged into the system, then he has to select the 'RTO' office from **Select RTO** and also need to select 'AUCTION DATE UPDATE' from **Select Action**. Then click on 'Show Form' button.

The screenshot shows the e-Vahan portal home page after login. The header includes the Ministry of Road Transport and Highways logo and the Government of India name. The main content area features a 'WELCOME TO TRANSPORT DEPARTMENT, MAHARASHTRA' message. Below this, there are two dropdown menus: 'Select RTO' (set to PUNE) and 'Select Action:' (set to AUCTION DATE UPDATE). A 'Show Form' button is present. The footer states 'Welcome to Fancy Number System'.

Once you click on **‘Show Form’** button, the **Auction date update** form will be displayed as shown below. Please fill the details like RTO Code, Vehicle type, category etc. You also need to enter series for which auction is to be started, Application start date and end date and auction start date and time and auction closing date and time. Finally click on **‘Update’** button to save auction details as given below.

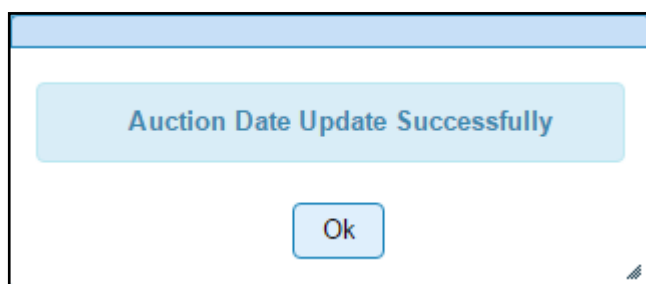

The screenshot shows a web application interface with a blue header bar containing navigation links: Home, Report, Update Profile, and Logout. The main content area is titled "AUCTION DATE UPDATE". Below this title is a form titled "Auction Date Update" with the following fields:

THE INTEGRATED SOLUTION FOR VEHICLE REGISTRATION

VAHAN is the flagship e-Governance application under National Transport Project, a Mission Mode Project initiated in year 2006. The purpose of the application was to automate the RTO operations related to Vehicle Registration, Permit, Taxation, Enforcement in the whole country. The project has achieved a many successes and crossed significant milestones in the past years.

In 2009, another major initiative was undertaken to consolidate the RTO data to State and Central levels in the form of State Registry (SR) and National Registry (NR) databases through periodic replication mechanism. A number of National and State level online applications are running on these consolidated

The screenshot shows the e-Vahan portal interface. At the top, there's a navigation bar with 'Home', 'Report', and 'Update Profile' links. The main form is titled 'Chassis/Engine Number'. It contains several input fields: 'Registration Type' (dropdown menu set to 'NEW'), 'Chassis No' (text field with '3SA2D1AS3D1AS3SA3'), and 'Engine No (Last 5 Chars)' (text field with '3A2S1'). Below these is a button 'Get Details from Homologation Portal'. Further down, there's a section for 'Advance Registration No Alloted' with a dropdown menu set to 'NO'. Below this is a tabbed interface with 'Owner Details', 'Vehicle Details', and 'Hypothecation'. The 'Owner Information' section is active, showing 'Registration Type' (dropdown menu set to 'NEW'), 'Purchase/Delivery Date' (text field with '05-Aug-2016'), 'Owner Name' (text field with 'RAHUL KADAM'), 'Ownership Type', 'Son/Wife/Daughter of', and 'Ownership Serial'.

Enter appropriate receipt number into Receipt No text field and click on **SAVE** button; it will attach receipt to this transaction.

The screenshot shows the 'Choice Number Details' form. It has two main sections: 'Advance Regn details' and 'Current Address'. The 'Advance Regn details' section contains four input fields: 'Receipt No' (text field with 'FN160800040'), 'Advance Regn No' (text field with 'MH43BE1001'), 'Owner Name' (text field with 'RAHUL KADAM'), and 'Mobile No' (text field with '3278462384'). The 'Current Address' section contains six input fields: 'House No. & Street Name' (text field with 'VASHI'), 'Village/Town/City' (text field), 'Landmark/Police Station' (text field), 'State' (dropdown menu set to 'Maharashtra'), 'District' (dropdown menu set to 'Mumbai Suburban'), and 'Pin' (text field with '328612'). At the bottom of the form are two buttons: 'Save' and 'Exit'.

When we approve this transaction, Fancy number will be allocated to the vehicle.
