

PRESS RELEASE

Delhi Traffic Police, Northern Range

Subject:- Northern Range Traffic Team on High Alert for BRICS Summit.

New Delhi, 13 September 2026.

In view of the BRICS Summit and to ensure smooth traffic movement and road safety, Northern Range Traffic Police intensified enforcement and remained vigilant across the Range.

Under the supervision and directions of Dr. Sachin Kumar Singhal, IPS, DCP Traffic Northern Range, traffic personnel conducted focused enforcement against traffic violations, with special emphasis on violations having a direct bearing on road safety and traffic discipline.

A total of **4712** challans were issued by Northern Range Traffic Police on 11-12.09.2026.

Special enforcement included.

- **Dangerous Driving: 335 challans.**
- **No-Entry Violations: 308 challans.**
- **Drunken Driving: 88 challans.**

Northern Range Traffic Police reiterated that strict enforcement will continue during the BRICS Summit to ensure safe, smooth and uninterrupted traffic movement and to deter violations on major roads and important traffic corridors.

Regards

DCP/T-NR
