**Green Corridor for transportation of human liver**

Dedicated to the service of citizens, Delhi Traffic Police contributed in its own way in saving the life of a man by providing the green corridor to an Ambulance carrying a liver to be transplanted from Terminal-3, IGI to the Medanta Hospital, Gurgaon.

An information was received from hospital authorities that a liver from a person declared brain dead in Indore will arrive by Jet Airways at Terminal 3 at 1000 hrs on 09.02.2016. After getting information, Delhi Traffic Police decided the route and deployed its officers to facilitate the seam less flow of ambulance from Terminal-3, IGI to the Medanta Hospital, Gurgaon. Taking into account the morning rush hours, additional traffic personnel were deployed and a distance of 10.5 Km up to Delhi border was covered in mere 8 mins.
